静夜思

李白

床前明月光，

疑是地上霜。

jǔ tóu wàng míng yuè
举头望明月，

dī tóu sī gù xiāng
低头思故乡。

Quiet night thinking
In the front of my bed is the bright
moon light,
I suspect it is the frost on the ground,
I raise my head to look at the bright
moon,
Then I lower my head thinking of the
home town.

Happy Dashain and Tihar My Dear Students.

Enjoy the holidays to the fullest!
